Danske Invest SICAV

Société d'investissement à capital variable 13, rue Edward Steichen, L-2540 Luxembourg RCS Luxembourg B161867

NOTICE TO SHAREHOLDERS

Luxembourg, 27 October 2023

Dear Shareholders.

The board of directors (the "Board") of Danske Invest SICAV (the "Company") would like to inform you that the following changes will be made as regards the Company.

The below changes have been approved by the Company's regulator, the Commission de Surveillance du Secteur Financier and do not require a specific action for shareholders of the Company.

1. Change of services providers:

Danske Invest Management A/S, as the management company of the Company ("DIMA"), after having conducted thorough due diligence and market investigations, has proposed to replace, as from November 24^{th} , 2023 (the "Effective Date"), the following services providers of the Company (the "Migration"):

- (1) CACEIS Investor Services Bank S.A. ("CACEIS") will be replaced by J.P. Morgan SE Luxembourg branch ("JPM") as the Depositary and Custodian (as defined in the current prospectus of the Company); and
- (2) CACEIS will be replaced by JPM as Administrative Agent, Registrar and Transfer Agent (as defined in the current prospectus of the Company).

The appointment of JPM has been assessed to be in the interest of the Company's shareholders by bringing the operational framework provided by DIMA to the funds even further towards a solid, efficient and market standard solution, supporting the funds to continue providing a broad and relevant product range in the future. The Migration will further bring the funds into a harmonized framework across Danske Invest domiciles and target markets.

The Migration will have no impact on the portfolio management of the Company's assets as its management company, namely DIMA, will remain unchanged.

The Migration will not trigger a change of the total/aggregated fees supported by the Company. The fees will remain unchanged as those currently disclosed in the last visa-stamped prospectus of the Company dated September 2023 (the "Prospectus"), which is available upon request at the current registered office of the Company.

Subscription, redemption, and switch dealing orders will be temporarily frozen for three trade dates, specifically on November 22^{nd} , 23^{rd} and 24^{th} , 2023, prior to the Migration. This temporary suspension applies to all funds, except for those having a dealing cut-off one day prior to the trade date, which will have a freeze period of four days, from November 22^{nd} to November 27^{th} , 2023.

The table below provides the cut-off times for sending the last subscriptions/redemptions to CACEIS and the cut-off times for the first subscriptions/redemptions to be sent to JPM, along with the corresponding trade dates for each order:

The investment manager will not trade assets of the Company (except in cases of urgency, DIMA will assess whether the risk of not trading outweighs the risk of ensuring a smooth Migration) from November 22^{nd} , 2023, to November 24^{th} , 2023. This temporary trading

suspension applies to all funds, except for those with a dealing cut-off one day prior to the trade date, which will have a freeze period of four days, spanning from November 22^{nd} to November 27^{th} , 2023, as above-mentioned under point 1 of this notice.

2. Removal of the multi-currency set-up:

As from November 24th, 2023 and in order to implement a market standard operating model, investors of the Company will no longer be able to redeem their shares in Norwegian krone (NOK) and Swedish krona (SEK) unless it is a separate class denominated in the currency. The following changes (i.e. deletions/ strikethrough) will be made in the sections "Information that applies to all transactions except transfers" and "How we calculate NAV" of the prospectus as regards the currencies and redemption of shares:

Information that applies to all transactions except transfers

Currencies. We accept and make payments on the share class currency. For certain funds, the management company may decide to accept and make payments in other currencies as well, in particular NOK and SEK. If payment is made in a currency that requires conversion, the conversion will be done at normal banking rates. For more information, contact the management company.

Redeeming shares

Redemption proceeds are paid in the currency of the share class or, if you have specifically requested it, in NOK or SEK.

To have your redemption proceeds converted to a different currency, contact your local authorised distributor or the registrar agent before placing your request.

How we calculate NAV

Timing and formula

Unless indicated otherwise in "Fund Descriptions", we calculate the NAV for each share class of each fund on each business day. Each NAV is calculated in the base currency of the fund or the currency of each relevant share class and for certain funds, NOK, SEK, and any other currency which the SICAV has accepted to accept subscriptions. All NAVs whose prices involve currency conversion of underlying NAV are calculated at mid market exchange rate in effect at the time the NAV is calculated.

NAVs are rounded up or down to the smallest commonly used fractional currency amount.

Shareholders who disagree with the above-proposed changes may request the full redemption free of redemption charges, until November 27th, 2023.

3. Changes to the cut off times of certain funds:

As from November 24th, 2023, cut-off times of certain funds of the Company will be modified, either to extend the timelines to receive orders from investors, or to align cut-off times of the Company's funds having an European strategy. Accordingly, the following changes (i.e. deletions strikethrough) will be made in the section "Subscriptions, switches and redemptions" of the prospectus of the following funds:

For fund

Europe Small Cap:

Orders received and accepted by the registrar agent by midnight 5:30 PM Luxembourg time any business day in Luxembourg are ordinarily processed the following business day in Luxembourg.

For fund

4. Disclosure of the Taxe d'abonnement:

As from November 24th, 2023, in order to adapt to the operating model of JPM, the table "charges taken from the fund over one year (maximum %)" of section of the prospectus "Costs for base share classes" of all the funds of the Company will disclose the "taxe d'abonnement" as included in the "operations/ administration" charges.

5. Increase of maximum operating and administrative fee:

As from November 24^{th} , 2023, under the section "charges taken to the fund over one year", the maximum operating and administrative fee will increase from 0,50% to 0,60%, to ensure implementation of the inclusion of Taxe d'abonnement in the "operations/administration" charges.

The fee table of China fund "costs for base shares/ charges taken from the fund over one year [%]/ operating and administrative fees" has been amended to reflect the effective increase of such fee from 0,50% to 0, 60%.

This increase of maximum operating and administrative fee will not result in any changes to the actual fees charged in any of the funds of the Company.

6. Inactive or dormant accounts

As from November 24th, 2023, date of the Migration, accounts with positive balance and accounts where an activity has been recorded within the 12 months prior to the date of the Migration, will be migrated to JPM as described above. Accounts in the shareholders' register opened in your name and on which there has not been any activity in the previous 12 months before the date of the Migration and which balance shows zero holdings, will not be migrated to JPM.
